

Volunteer Deposit Agreement

The Cooper Spur Race Team survives largely on your volunteer participation in the program and at fundraising functions throughout the year. To insure this participation, CSRT requires each member family to post a deposit at the beginning of each season in the amount of \$100.00 per family. This check is not cashed and will be returned (or destroyed) at the end of the ski season – provided that the family has worked off their deposit according to the following rules. If only part of the volunteer requirement has been met, the entire check will be forfeited at the end of the season- April 30. All families are requested to help us host at least one race. A family electing not to volunteer at any races or fund-raising events will forfeit the \$100.00 deposit.

Each family is required to provide an adult volunteer for three (3) “events” per year. Families of Cooper Camp racers only are not required to volunteer. The year runs from May 1 to April 30 of the following year. An “event” is any CSRT hosted ski race, CSRT team fundraisers: Caskino Night & Silent Auction, Christmas Wreaths, or Ski a Thon, service on the Executive Board or a committee, or assistance in special projects.

Special fundraising activities that benefit the team will also be credited. If a member family secures business donations or goods in excess of \$500 (or contributes personally greater than this amount), then their entire requirement is satisfied. Participation in other activities will be considered with prior approval of the CSRT Board. The Treasurer will be in charge of tracking participation and deposits.

I have read and understand the foregoing description of the CSRT Volunteer Deposit. I agree to post a check for \$100.00 as assurance that I will participate in fundraising and other activities for the club. I understand that if I do not fulfill my participation requirements as outlined above, I will forfeit my check at the end of the ski season. I accept responsibility for ascertaining whether or not I have met my obligations.
